EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 9, a period has been inserted at the end of the claim (after the last structure).

This amendment is merely editorial in nature and does not affect the metes and bounds of the claim.

Claim Objections Withdrawn

The objection to claims 1-13, both maintained and new, outlined in the Final Rejection, has been overcome by applicant's 8/20/04 After Final Amendment. The amendment corrects the claim text as appropriate.

Application/Control Number: 09/680,371

Art Unit: 1621

Double Patenting Rejections Withdrawn

The rejection of claims 1-13 over US 6,440,585 under the judicially created doctrine of obviousness-type double patenting, maintained in the Final Rejection, has been overcome by applicant's submission of an acceptable terminal disclaimer.

112 Rejections Withdrawn

The rejection of claims 1-13 under 35 USC 112, second paragraph, outlined in the Final Rejection, has been overcome by applicant's 8/20/04 amendment. The amendment clarifies the claims as appropriate.

Allowable Subject Matter

Claims 1-13 are allowed for reasons of record.

The following is an examiner's statement of reasons for allowance:

The only outstanding issue after applicant's 8/20/04 After Final Amendment was the cancellation of the non-elected claims. Applicant's 12/15/04 Supplemental After Final Amendment cancels these claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Application/Control Number: 09/680,371

Art Unit: 1621

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Davis whose telephone number is 571-272-0638. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann Richter can be reached on 571-272-0646. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
